Scope of Work

- The AMC is inclusive of all spares, service charges, and visit charges (excluding batteries for UPS).
- Periodic Servicing: Two preventive maintenance schedules will be carried out within the AMC period at intervals of about 5 months.
- Emergency Breakdown Support: Prompt response and service during emergency situations.
- Inspection and Maintenance: Regular inspection, preventive maintenance, routine checks, and breakdown maintenance for all listed equipment installed at KOCK, Karunagappally.
- AMC Duration: One year from the date of execution of the agreement.
- AMC shall cover maintenance of the UPS system (rectifier, inverter, and related circuits, etc.).

Interested vendors should submit their quotations on or before 17/04/2026 at 2.00 pm by post or email to kock@kerafed.com. Quotations should include detailed pricing, service terms, and company credentials.
