MANAGING DIRECTOR

KERAFED

1. INVITATION OF BID

Kerala Kerakarshaka Sahakarana Federation Ltd. (KERAFED) invites sealed competitive tenders from eligible, experienced and financially sound firms for the **Supply, Installation, Testing and Commissioning (SITC) of an IP-Based CCTV Surveillance System** at its designated stock points. The work includes the supply of all CCTV equipment, accessories, cables, conduits, networking components and other materials required for the complete installation of the surveillance system. The successful bidder shall be responsible for installation, testing, commissioning, configuration of the Network Video Recorder (NVR), remote viewing through mobile applications, recording and playback configuration, user training, documentation and comprehensive after-sales support, as specified in this tender document.

2. DETAILS OF WORK

The work comprises the **Supply, Installation, Testing and Commissioning (SITC) of an IP-Based CCTV Surveillance System** under a **Single Stage Tender** with separate **Technical Bid and Price Bid**. The successful bidder shall complete the entire work within **45 (Forty five) days** from the date of issue of the Work Order. The complete CCTV surveillance system, including all supplied equipment and installation, shall be covered by a **minimum comprehensive onsite warranty of one years** from the date of successful commissioning. The tender is invited by the **Managing Director, Kerala Kerakarshaka Sahakarana Federation Ltd. (KERAFED)**.

3. SCOPE OF WORK

The scope of work includes the complete supply, installation, testing and commissioning of an IP-based CCTV surveillance system at the identified KERAFED stock points. The contractor shall supply all CCTV cameras, Network Video Recorder (NVR), surveillance hard disk, PoE switch, CAT-6 cables, PVC conduits, junction boxes, mounting accessories, connectors, power supply units and all other materials required for the successful installation of the system. The contractor shall install the complete surveillance system, configure the NVR, enable remote monitoring through mobile applications and desktop access, configure recording schedules and playback functions, and ensure that the system operates satisfactorily in all respects. The contractor shall also provide user training to KERAFED personnel, submit operation manuals and warranty documents, and extend comprehensive warranty support during the warranty period. The work shall be executed in accordance with the technical specifications and shall be completed to the satisfaction of KERAFED.

4. LOCATION OF WORK

The CCTV surveillance system shall be installed at the designated KERAFED Stock Points located at **Anayara, Kollam, Ernakulam and Thrissur**. The successful bidder shall visit the respective locations, assess the site conditions before commencement of the work, and execute the installation without causing any disruption to the normal functioning of the offices. Any additional accessories or minor civil works required for proper installation and commissioning of the system shall be deemed to be included in the quoted rates.

5. TECHNICAL SPECIFICATIONS

The CCTV surveillance system shall consist of high-quality **4 MP IP Bullet Cameras** with a **1/3-inch Progressive CMOS image sensor** capable of delivering high-resolution video suitable for continuous surveillance. The cameras shall support **H.265+/H.265 video compression** for efficient bandwidth utilization and storage optimization. Each camera shall be provided with a **2.8/3.6 mm fixed lens** and infrared illumination with a minimum night vision range of **30 metres**. The cameras shall support **120 dB Wide Dynamic Range (WDR)** to ensure clear image quality under varying lighting conditions and shall operate through **Power over Ethernet (PoE)** to minimize additional power cabling. The cameras shall have a minimum **IP67 weather protection rating** for reliable outdoor operation and shall be **ONVIF compliant** to ensure interoperability with standard IP surveillance equipment. All equipment supplied shall be new, unused, of the latest model, and sourced from reputed manufacturer.

6. BILL OF QUANTITIES (BOQ)

The bidder shall quote for the complete supply, installation, testing and commissioning of the CCTV surveillance system for each KERAFED Stock Point. The system shall generally comprise **three (3) Nos. of 4 MP Bullet IP Cameras, One(1) No 4MP Dome IP camera, one (1) No. 4-Channel Network Video Recorder (NVR), one (1) No. 1 TB Surveillance Grade Hard Disk, one (1) No. 4-Port PoE Switch, CAT-6 networking cable, PVC conduits, junction boxes, mounting accessories, connectors and all other materials required for the successful installation of the system.** The quoted rate shall also include installation charges, testing, commissioning, configuration, transportation, loading, unloading, labour charges and all incidental expenses required for the successful completion of the work. The quantities indicated are tentative and KERAFED reserves the right to increase or decrease the quantity depending upon the actual requirement.

7. ELIGIBILITY CRITERIA

The bidder shall be a legally registered firm or company in India engaged in the business of supply and installation of CCTV surveillance systems. The bidder shall have a minimum experience of **three (3) years** in executing similar works and shall have successfully completed comparable CCTV installation projects for Government Departments, Public Sector Undertakings, Cooperative Institutions or reputed private organizations. The bidder shall possess valid **GST Registration, Permanent Account Number (PAN)** and, wherever applicable, a valid authorization certificate issued by the Original Equipment Manufacturer (OEM) or authorized distributor.

8. DOCUMENTS TO BE SUBMITTED

The bidder shall submit self-attested copies of the Company's Registration Certificate, GST Registration Certificate, Permanent Account Number (PAN), experience certificates, OEM/Dealer Authorization Certificate (where applicable). KERAFED reserves the right to call for any additional document necessary for evaluation of the bid.

9. WARRANTY

The entire CCTV surveillance system, including all cameras, NVR, hard disk, PoE switch, cables, accessories and installation, shall be covered by a **minimum comprehensive**

onsite warranty of one years from the date of successful commissioning. During the warranty period, the contractor shall attend all service complaints within **24 hours** of reporting and shall rectify any defect or replace defective components without any additional cost to KERAFED.

10. PERIOD OF COMPLETION

The successful bidder shall complete the supply, installation, testing and commissioning of the CCTV surveillance system within **45 (Forty-five) days** from the date of issue of the Work Order. Time shall be the essence of the contract, and any delay shall be dealt with in accordance with the conditions of the contract.

11. PAYMENT TERMS

Ninety-five percent (95%) of the contract value shall be released after the successful supply, installation, testing and commissioning of the CCTV surveillance system and certification by the Engineer/Officer-in-Charge. The remaining **five percent (5%)** of the contract value shall be retained by KERAFED as **Retention Money**. The Retention Money shall be released after the expiry of the **twelve (12) month Defect Liability Period**, subject to satisfactory performance of the installed system and certification by the Engineer-in-Charge that all defects, if any, have been rectified and all contractual obligations have been fulfilled by the contractor. Statutory deductions such as Income Tax, GST-TDS and other applicable recoveries shall be made from the contractor's bills as per prevailing Government rules.

12. EARNEST MONEY DEPOSIT (EMD)

The bidder shall remit the prescribed Tender Document Fee and Earnest Money Deposit (EMD)/Bid Security as specified in the Notice Inviting Tender. The Earnest Money Deposit is intended to safeguard the interests of KERAFED against the risk of the bidder withdrawing, modifying or failing to honour the bid during its validity period or failing to execute the agreement after award of the work. The EMD shall be dealt with in accordance with the provisions of the Kerala Store Purchase Manual.

13. VALIDITY OF OFFER

The bids submitted shall remain valid for a period of **90 (Ninety) days** from the date of opening of the Technical Bid. During this period, the bidder shall not withdraw or modify the offer.

14. SUBMISSION OF TENDER

The tender document can be downloaded from the **KERAFED website**. The completed tender shall consist of the following:

A. Technical Bid

- Tender Document Fee
- Earnest Money Deposit (EMD)
- Duly signed technical bid
- GST Registration Certificate
- Permanent Account Number (PAN)
- Company/Firm Registration Certificate
- Experience Certificate(s) for similar works (Minimum three years)

- OEM/Dealer Authorization Certificate (where applicable)
- Any other documents required under this tender

B. Price Bid

- Duly filled and signed Price Bid (BOQ) in the prescribed format.

The Technical Bid and Price Bid, duly signed and sealed along with all supporting documents, shall be enclosed in a single sealed cover superscribed: **“Tender for Supply, Installation, Testing & Commissioning (SITC) of IP-Based CCTV Surveillance System at KERAFED Stock Points.** “The sealed tender shall be addressed to and reach the following address **on or before 10.08.2026 at 13:00 Hrs:**

The Managing Director

Kerala Kerakarshaka Sahakarana Federation Ltd. (KERAFED)

Kera Tower, Water works Compound, Vellayambalm, Vikas bhavan
Thiruvananthapuram – 695033, Kerala.

Late tenders or tenders received after the prescribed date and time shall not be accepted and are liable to be rejected.

15. DISPUTES AND JURISDICTION:

All disputes relating to this Purchase contract between the seller and the buyer shall be subject to and be referred to the Court of competent jurisdiction constituted within the limits of City of Thiruvananthapuram or appropriate appellate authorities at Thiruvananthapuram only and as per the Kerala Co-operative Society Act 1969 and the jurisdiction of all other court will be excluded to deal with all or any such matters.

14. JURISDICTION: Trivandrum, Kerala only.

16. GENERAL CONDITIONS

1. KERAFED reserves the right to accept or reject any or all tenders, either wholly or partly, without assigning any reason whatsoever, and its decision in this regard shall be final and binding on all bidders.
2. The quantities indicated in the Bill of Quantities (BOQ) are tentative and may be increased or decreased depending upon the actual requirement of KERAFED.
3. Bidders are advised to inspect the installation sites before submitting their bids and shall be deemed to have satisfied themselves regarding the site conditions, accessibility, availability of power, cable routing and all other factors affecting the execution of the work.
4. The quoted rates shall be inclusive of the cost of supply, transportation, loading, unloading, installation, testing, commissioning, labour, tools, tackles, consumables and all incidental expenses required for the satisfactory completion of the work. Applicable GST shall be indicated separately in the Price Bid.

5. The contractor shall be responsible for obtaining all necessary tools, equipment, permits and manpower required for the execution of the work at no additional cost to KERAFED.
6. Any damage caused to KERAFED's buildings, equipment or other property during the execution of the work shall be repaired or replaced by the contractor at their own cost to the satisfaction of KERAFED.
7. The contractor shall comply with all applicable labour laws, safety regulations, statutory requirements and environmental regulations in force during the execution of the work.
8. The contractor shall ensure that the installation work is carried out safely and in a manner that does not interrupt or adversely affect the normal functioning of KERAFED's offices and stock points.
9. All equipment supplied under this contract shall be brand new, unused, of the latest available model and free from manufacturing defects.
10. KERAFED reserves the right to inspect, test and reject any equipment or workmanship that does not conform to the specifications or quality requirements stipulated in this tender document.
